

CONCEPT: Community and Culture

Autumn 1 Topic: Decided by children linked to concept

Drivers: RE, History and Geography

CONCEPT: Safety and Well-Being

Autumn 2 Topic: Decided by children linked to concept

Drivers: PSHE, PE and Science

CONCEPT: Innovation and Imagination

Spring 1 Topic: Decided by children linked to concept

Drivers: Art, D&T and Computing

Literacy and Numeracy

Literacy is taught daily and contextualised using the concept and chosen topic wherever possible.

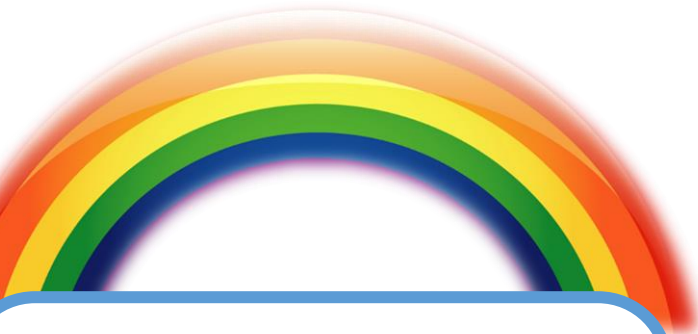

Numeracy is taught discretely every day, but contextualised, where possible, using the concept and chosen topic.

A mastery approach is deployed throughout both subjects.

Music and PE

Music is taught weekly using the concept and topic as a stimulus and context for learning wherever possible. Specialist teachers are often used to teach this subject.

'BIG PE' sessions are held weekly. A full 2-hour afternoon session is dedicated to indoor and outdoor PE, physical development and outdoor adventure.

At the heart of all we do are our children. We would like them to enjoy their childhood and be valued for their individuality, culture and heritage. We would like our children to go into the wider world as well rounded, happy, healthy and responsible citizens who care for the world and all the people who live in it. We strive for every child to be aspirational and forward thinking in all they do, and remain lifelong learners who are reflective, resilient and adaptable to the challenges of life in the 21st century.

School Vision to Curriculum Model

Phonics & SPAG

A 20 minute phonics/SPAG session is delivered daily to all children. Children are streamed across phonics phases or SPAG groups and taught using the LCP scheme of work which is enhanced through the use of Jolly Phonics.

PSHE, RE & British Values

PSHE & RE skills, alongside British values are the basis for our school vision. These are threaded throughout, and are integral to, our school concepts and curriculum.

In addition to this, daily assemblies, weekly SEAL class assemblies and weekly, discrete RE sessions are delivered.
